Company: Cash Sale Customer C/- All About Lifting
Address: 1/12 Duntroon St
BRENDALÉ QLD 4500
Contact Name: N/A N/A
Contact Number: 07 3889 7774

Date of Inspection: 18-Oct 2018
S/O Number: SO188780
Customer O/N: MASTER REGISTER
Tag Colour: Yellow

This report follows the Certification of Lifting, Height Safety & Confined Space Equipment presented to our inspector Kylie Straube, all equipment listed has been visually inspected and is in good working condition, EXCEPT where listed.

Inspections were conducted in accordance with relevant Australian Standards, Site OH&S Requirements and Manufacturer Recommendations to determine Acceptance and Rejection Criteria.

Australian Standards Used During Inspections:

- AS 1353.1 - Flat Synthetic-Webbing Slings,
- AS 2471 - Shackles, AS 3775.2 - Chain Slings - Grade T (80) & Grade V

All items that meet the above requirements have been tagged with the relevant colour code, which you can cross reference with this report.

In the report, items listed as "REPAIR" are to be removed from service until repairs have been completed or the equipment is destroyed.

In the report, items listed as "FAIL" are to be removed from service immediately and destroyed as soon as practicable. Equipment can be destroyed by your company, or our inspector if requested.

We accept no responsibility if this equipment remains in use.

In the report, items listed as "PASS" are deemed Serviceable and are fit for use. This equipment has met all relevant requirements at the time of inspection and has been tagged with a yellow coloured Tag.

A Company representative will contact you closer to the next inspection date to arrange your next inspection.

If you have any questions regarding this report, please don't hesitate to contact the Inspector Listed below.

Kind Regards,

Inspector's Name: Kylie Straube
Inspector's Mobile: 07) 3889 7774
Inspector's Email: kylieaals@gmail.com
