

## Client Asset Certification Status Report

**Company:** Cathodic Anodes Australasia  
**Address:**

Click the "Unite against COVID-19" banner to view our COVID Safe Plans

Dear Sam Pohlman,

Our records indicate that the assets contained in this report are either overdue, due now or will become due for re-certification within the next few weeks. As a courtesy and to provide you with the listing of these assets, below for your records is a Status Report Register of the assets that have been certified by us in the past.

You can also login to your CORE Customer Portal at <https://allaboutlifting.coreinspection.com/> to view historical data on these items at any time, If you do not have login details or you need access to the system, this can be arranged by our Office team at anytime for you.

We do not charge any subscription or access fees to our Customers for access to the Customer Portal to retrieve "YOUR" records, so if you need a hand logging in, navigating or having any issues at all with the CORE Customer Portal, please give us a call.

Safety in the workplace is an important responsibility that we all have a role to play in achieving. We are well aware of how complex compliance can be in order to ensure a safe workplace. We take pride in being able to offer our clients the peace of mind when it comes to their Lifting, Height Safety and Confined Space Equipment compliance requirements. With some restrictions at the moment due to **COVID-19**, our team will work with you to ensure we meet your COVID Safe plans as well as ours and to ensure we minimise any potential risks, downtime or disruptions caused as a result of compliance certifications. We can offer a range of compliance certification options that can be tailored to suit your individual / site needs.

Our team will make contact in the coming days to walk through the sometime daunting re-certification process with you. We are always available, so if you wish to get in touch sooner to arrange a booking, please do not hesitate to us a call or send us an email.

Our friendly team can be contacted on;

Phone: 07 3889 7774  
Email: [emma@allaboutlifting.com.au](mailto:emma@allaboutlifting.com.au)  
Email: [marketing@allaboutlifting.com.au](mailto:marketing@allaboutlifting.com.au)

We value you as a customer, so if there is anything we can do to assist you with your compliance requirements, let us know, we are always willing to help where ever we can.

If you have any questions or would like to discuss this further, please give us a call or send us an email.

Kind Regards,

The Team at All About Lifting & Safety  
07 3889 7774

Customer
Cathodic Anodes Australasia
